Reason for membership?

What IRD are you/your loved one affected by?

How many members of your family are affected by IRD and what is their relationship to you?

### At Retina Australia WA we...

- ~ raise money for research to help speed up the introduction of treatments for IRD's.
- ~ raise awareness of IRD's
- ~ provide the latest information on upcoming treatments, via our website, social media and our member newsletter
- ~ facilitate support to those affected and their friends and families via our monthly social meet-ups and at our fundraising events
- ~ work closely with Retina Australia national, Retina International, the Lions Eye Institute of Perth and their General Manager - Professor David Mackay, as well as the team at the Australian Inherited Retinal Disease register and DNA Bank.
- ~ work with Honorary Counsellor Davinia Lefroy to ensure that our members needs are met.

### WHAT WILL THE FUTURE LOOK LIKE?

Thanks to the work of Retina Australia (WA) and the research that we help fund, we can give people one thing right now, and that is hope for the future. It's hope that blindness does not have to be inevitable for them, or for their children, or for their children's children.

***We're making the future brighter for those with inherited retinal disease.***
